2016-2017 School Profile

School and Community

South Eugene High School is located in Eugene, Oregon, nestled in the southern Willamette Valley between the Cascade Mountains and the Coast Range, with an approximate population of 163,000. A high percentage of residents are employed in the medical, educational and professional fields. Eugene's vibrant community is active in the arts and out-of-doors, and is a world-recognized center for track & field, hosting events such as the Olympic Trials. The public education system is strongly supported by Eugene voters.

South has long had a reputation for academic excellence. Its proximity to the University of Oregon contributes to high academic expectations and results in increased access to a variety of academic opportunities and resources.

Mission Statement: *As global citizens at Eugene International High School, we aspire to value diversity, ambiguity, and discovery — and to act with responsibility, integrity, and compassion.*

Established in 1984, Eugene IHS is an alternative school in international studies. Eugene IHS is a four-year interdisciplinary curriculum focused on the study of nations, their cultures, history, artistic expression, and political, economic, and belief systems. IHS students take a core curriculum in international studies during half of the school day. During the other half, the students take math, sciences, arts and foreign languages in the host school. It is one of the largest and most successful International Baccalaureate diploma schools in the world.

2016-2017 FRENCH IMMERSION PROGRAM

@ South Eugene & International High School

The French Immersion Program at South Eugene High School and Eugene International High School is distinguished as one of few public immersion high schools in the United States and is nationally recognized for academic excellence.

This unique K-12 program began in 1984. It is a magnet program, focused on developing fluency and using French in interdisciplinary studies. French Immersion is a rigorous program in which students complete up to 50% of coursework in French over thirteen years. In oral and written fluency most French Immersion students already perform at levels equivalent to university-level French majors. French Immersion students have demonstrated exceptional commitment and perseverance in this challenging program.
