- *LIT course “dystopias in Lit” – YES YES YES*
- *“Journalism” proposal – comments re credit awarded in courses; proposal is really freshening up courses and updating names of classes VOTED YES*
- *Math 95 – students CAN earn 1.5 credits math - YES*
- *Tyro Choir Exp. – YES – go choir*

G. SIP Work

Stephanie

45 min

Team work

-Go to the screen – Stephanie reviewed SIP and looked at strategies – we highlighted what has been completed, is being worked on and what still needs to be done.

-Use decision making tool and equity lens to review activities/ strategies

- no highlight = have not considered, not working on*
- magenta = efforts made to start working on, but not there yet*
- yellow =actively in progress / in the works*
- green = completed*

**attendance records are not accurate on both accounts – some teachers still fail to keep accurate attendance and enter it/ some students have info in the system and it is not true (ie- they are in class but they are excused from class)*

515to525 → Randy crashed the meeting – discuss the principal search, explained process – new hire is Dr. Andy D; teacher at RMS, assistant P at THS, went to ASMS principal; last job is at an international school in Chile; check in with school is unknown; start date is 7/1/15.

What questions do we have? What information would we like presented at the next Site Council meeting?
