5/12	Microecon.		5/12	European History	

\*Wheeler = The round building located at the Lane County Fairgrounds.

## Parking info:

The parking at the church is restricted. You may **NOT** park in the church parking lot. Also, most street parking surrounding the church is 2 hr. limit. Not enough time for testing. There is some street parking south of 24th Ave. just make sure you are not parking in a 2 hr. limit zone. Carpooling, having a parent drop and pick up, walk or bike are all good options.

Parking is available at the fairgrounds for those taking Calculus and/or French on May 9<sup>th</sup> at Wheeler Pavilion.

## Other info:

You should arrive at 7:50 for AM tests and 11:50 for PM tests. Bring two #2 pencils (not mechanical). Water and snacks are allowed during the break times.
