

CTE Senior Project/CAM Program Specific Requirements for Visual Arts

Students can include work from any Drawing II, Ceramic II, or 19th Avenue extended class. These classes provide time for students to create art of advanced application, make connections to post secondary options, and build a portfolio of work. I include all paper work & Synergy grade books if lost. Include special projects, community service, scholarships, and service to the studio.

Students can be evaluated by teachers, CTE advisors, or mentors. Evaluations will be made by students and advisors. (4/4) 4-Extraordinary, insightful, significant work. 3-Exceeds expectations. 2-Working on meeting criteria, but incomplete. 1-Starting but has not met the criteria for the task or skill. N/A- No evidence or has not attempted the task or skill.
