

South Eugene High School

Senior Experience Expectations

Class of 2020

The *Senior Experience* is a graduation requirement that seniors in the classic South program fulfill if they are not completing a CTE Project or IOP CAM. The activities will meet the State of Oregon’s Personalized Learning and Extended Application graduation requirements. It is very similar to the former version of the *Senior Project* but it has been adapted to offer more flexibility. Students will complete Career Related Learning Experiences (CRLEs), which are activities that occur in the community, in a workplace, or within school, that connect classroom learning with the paths students might follow after graduating. Please visit the Senior Experience website at <https://sehs.4j.lane.edu/senior-experience/> for further resources.

You will choose either option 1 or option 2

Option 1: One CRLE as a Job Shadow/Internship or Work Experience for at least 10 hours.	OR	Option 2: Complete 3 separate Career Related Learning Experiences (CRLEs).
CRLE Reflection #1 First 5 hours of experience		CRLE Reflection #1 Activity One
CRLE Reflection #2 Second 5 hours of experience		CRLE Reflection #2 Activity Two
CRLE Reflection #3 Shaded area questions		CRLE Reflection #3 Activity Three
Create Visual Board and present at one of the Senior Showcase Event (see website for dates)		Create Visual Board and present at one of the Senior Showcase Event (see website for dates)

Option 1: Job Shadow/Internship/Work Experience: This should be a commitment that you plan to do for at least 10 hours. Start thinking about jobs or careers that you’re interested in and get the word out about your interest and start talking to potential employers or mentors. Experiences can be paid or unpaid.

Option 2: Three Experiences (You will choose three experiences from any of the categories below):

-College Campus Visit	-Career Workshop	-Educational Workshop
-Admission Rep Presentation	-Service Learning/Volunteering	-Educational Field Trip
-College Summer Program	-Short Job Shadow	-College Admissions, Mock or Job Interview
-College Fair	-Career Fair	

Junior Year 1st Step:

Go to Naviance and read the **Senior Experience Information** task-under *My Planner* and *Tasks*. Make sure to complete the *Survey* associated with the *Task* to let us know which option you are choosing. For either option, you will be expected to complete CRLE Reflection #1, #2, #3 and the *Senior Presentation* Showcase. If you do not see *Tasks* under *My Planner* tab in Naviance, let your counselor know. They will be removed if you turn in a CTE Project Agreement form.

2nd Step: Get started! The summer is a great time to have these experiences. You do not need to be preapproved or tell us the CRLEs you plan to have. Do something you are interested in and make it valuable to you. We want you to have experiences that relate to your plans outside of high school and that you enjoy. Login to **Naviance** and complete all of the *Tasks* assigned to you.
