Parent email from Principal: click [HERE](#) to view.

Drop-off and Pick-up of school items: Starting in November, school distribution dates will be the first and third Thursday of the month only. In November, times include **November 5 and 19** from 1pm-4pm. If there is a need for mass collection/distribution, we'll publish a new plan. Students or parents/guardians are able to pick up textbooks and materials for specific classes during this time, as well as laptops, yearbooks, new student enrollment packets, free and reduced lunch applications, and Eugene library card applications.

Canvas:

For Students: <https://www.4j.lane.edu/instruction/canvas/>

Once logged in, students may access their synchronous class through the Zoom link in the blue vertical menu in their course within Canvas.

For Parents: <https://4j.instructure.com/login/canvas>

Parents have the ability to become an **Observer** in a Canvas course and see coursework planned for students and their student's grades (above link). Observers can find additional information about navigating Canvas by clicking on this [Canvas Observer Guide](#).

Grading and Student Progress: It is important for families to know that StudentVUE/ParentVUE are still available for student schedule and attendance information. Also, on Progress Report Grading Day (Oct. 23) and on Trimester 1 Grading Day (Dec. 11), teachers will input the letter grade from Canvas into StudentVUE/ParentVUE for official reports at those two times of the term.

However, families should not anticipate using StudentVUE/ParentVUE for information on students' grades between reporting periods unless the teacher has indicated that they are using Synergy as well as Canvas. In fact, please be aware that StudentVUE/ParentVUE may *not* be synched to Canvas for many classes and may not provide an accurate picture of students' progress. In short, parents should plan to access students' grades through Canvas for the most accurate picture of students' progress during the trimester.
