

SEHS Non-Feeder Registration 2021-22 School Year

Students who **live within South Eugene's attendance boundaries** and are currently attending a school other than Roosevelt or Spencer Butte, may now submit a 2021-22 enrollment packet and supporting documents. This would also apply to students who have received a spot in IHS through the School Choice process.

This would **not** apply to students currently attending Roosevelt or Spencer Butte. These students are already enrolled and will be forecasting through those schools.

Again, you must live within our attendance area in order to submit an enrollment packet. Completed packets and supporting documents should be **returned to South by April 16th**.

Please complete the following three items:

1. Enrollment Packet: [English](#) | [Spanish](#)

First, you must download the PDF (saved on your computer), then fill it out and save it. Do not fill in the PDF in a web browser, as the information you enter will not be saved. Please complete all of the forms in the packet and **save the PDF with your students first and last name**.

Forms: [Email/G Suite Permission](#), [Annual Notices and Forms](#), [Annual Permissions](#)

Spanish: [Email estudiantil y aviso de G Suite](#), [Avisos y formularios anuales requeridos](#), [Permisos anuales](#)

2. [Proof of Age and Residency](#): (We will accept copies of these documents)

3. [Immunizations](#)

[2021-22 Curriculum Guide](#) – Available on line to review our course offerings

Please return all forms by April 16th. Once we have reviewed your documents and entered your information in to our system, the counseling team will reach out to you in May, to answer questions and finalize forecasting for fall.
