THE SOPHOMORE PROJECT

The Sophomore Project is now available! South asks all of its students to complete a yearly post-high-school planning project. This year, the Sophomore Project is in the form of a Canvas course which each sophomore has been invited (through their Canvas account) to accept. It includes 6 computer-based tasks to complete asynchronously by June 3. For the project to be useful, students need to work on it slowly over time. We recommend starting on it as soon as you can. It is both a graduation requirement and an excellent planning tool. Please feel free to email Lori Sauter with any questions at sauter_l@4j.lane.edu.

PARENT INVOLVEMENT

Friends of South- FOS is for parents first...not just alumni. All parents and volunteers wishing to support South programs with fundraising are invited. Email Dan.Ambrose@ambro.com for a zoom invitation/link. Meetings are usually held the second Monday of each month. Please visit the [Friends of South website](#) to learn more.

Parent Council: All parents are automatically considered to be part of South's Parent Council and are welcome to attend Parent Council meetings, although these meetings are typically held the first Monday of the month at 6:00pm. Interested parents can contact Jen Doerr at brad.jend@gmail.com for meeting details.

Site Council: South Eugene's Site Council meets monthly. In 2020-2021 we will be meeting the third Tuesday of each month from 4:00-5:00 and the meeting is accessible via this [link](#). Meetings are virtual this fall and open to the public, and interpretation can be made available.
