Free or reduced-price school meals:

More than 40 percent of 4J students qualify for free or reduced-price school meals. You qualify if your household income is at or below the federal guidelines, or if your family receives food stamps, TANF, or FDPIR—even if your situation is short-term, such as a temporary layoff. The program is confidential, easy, and good for both your budget and your child's school.

Sometimes families hesitate to apply for the school meal program because they don't want to strain their school's resources. Not to worry! The school district receives federal reimbursement for free and reduced-price meals, and individual schools can receive additional federal funding based on how many students qualify for the program. If you fill out a form and qualify, you are helping both your family and your school. To learn more and apply online, go to www.4j.lane.edu/nutrition/freelunch.

To apply for Free/Reduced Meals go to <https://www.4j.lane.edu/nutrition/freelunch>. Please bring a copy of student's "Notice of Approval for School Meals" to the Finance Office to determine eligibility for reduced fees listed on this hand-out. Questions about the application process? Contact 541-790-7653 or email nutrition@4j.lane.edu.

The benefits go beyond savings on school meals. Here are just a few of the opportunities available to students and families who qualify for free or reduced-price school meals:

Drivers Training Scholarships: Check with the Finance Office when your student registers for a session with Oregon Driver Training Institute for scholarship information.

Reduced fees for sports, activities and summer camps: Your student can qualify for fee reductions of up to 80 percent on 4J athletics and activity fees. Other organizations that offer reduced registration fees for youth recreation and enrichment programs include KidSports and The City of Eugene.

Aid for college-bound students: Students who qualify for the school meal program can receive a fee reduction or waiver for SAT, ACT, Advanced Placement and IB tests. They also can receive free additional score reports for some tests and can request a waiver or deferral of application fees at many colleges. Talk to your high school Counseling Department to learn more.

Low-cost Internet access and computer: You can learn more about these options on the 4J website: <https://www.4j.lane.edu/2020/08/free-internet-for-students-in-need/>

LTD Transit Pass:

As schools transition back to in-person instruction, students will continue to ride for free until October 30, 2021.

When boarding, students will simply tell the bus operator that they are a student and do not need to present a TouchPass/Umo Mobility co-branded tap card or fare on the Umo Mobility app.

All K-12 students in Lane County can get their free LTD Student Transit Pass from their school, using either the TouchPass mobile app or tap card. Students will have the opportunity to receive a new pass or renew their existing pass each Fall. Passes are valid September 1 of current school year to September 30 of the following year.
