Career Center Current Events:

Got unwanted AP/SAT/ACT study guides? I'd be thrilled to take them off your hands if you were to leave them in the main office with my name on them (Lori Sauter). Please, nothing with a copyright date before 2016 and no SAT Subject Test books. Thanks!

Multicultural Fly-In Programs: Many colleges like to connect with juniors and seniors from historically underrepresented populations by flying them to their campuses, sharing college information, and showing off their schools. If you know where you might like to attend next year, look on those schools' websites to see if they offer a fly-in or other outreach program. These programs can really help high-school students prepare for college life.

9/13: Due date for the fall term of the 10-week (9/27-12/3) [Design Arts Apprenticeship Program](#). This program offers students apprenticeship opportunities in graphic, digital, and physical design. In-person and virtual options are available and should be indicated in the application. Each family makes a financial contribution to the program based on what they can afford. Contact artsed@lanearts.org with questions. Apply [here](#). Aplicación en Español: [Vínculo](#).
