

Announcements for Wednesday November 3rd

The South Boys' Soccer Team will host a second round home playoff game here tonight at 5:30 against West Salem. Normally, playoff tickets are \$5 for students, but we have 100 free student tickets available for tonight's game courtesy of Friends of South and the South Soccer Club. Both organizations have purchased 50 tickets so that the first 100 students through the gate can attend free of charge. Come support the AXE tonight at 5:30!

BSU: The Black Student Union is back on! BSU meets today during lunch in room 204. Come help us plan the MLK assembly and other fun events. All students are welcome regardless of color.

Covid Tests: This is a reminder for all students who have signed up for Covid-19 testing to come by the auditorium after school tomorrow to pick up your green folder and 12 test kits.

Axespresso: Come down to Axespresso and warm up with our new November specials: Pumpkin Spice Latte, Apple Cider, and Salted Caramel Matcha Latte!

Thank you to everyone who signed up for the intramural ping pong tournament. All the spots are filled, if you wanted to participate but missed out on the registration, Student Government is planning another intramural sports event later this year.
